COMPLIMENTS

OF A

FRIEND

It is my pleasure to bring you greetings from the Louisville, Ky. Chapter of SPEBSQSA, The Thoroughbreds. We are delighted that you have chosen to spend this evening with us. We sincerely hope that you will enjoy this evening of Barbershop Harmony, Kentucky Style.

Since we last sang for you, the Thoroughbreds have earned another International Championship. I say another because we are very proud of the fact that this is our 4th Championship and is an unprecedented accomplishment.

Tonight is our night to entertain you, and our only desire is to bring you listening pleasure in appreciation for your support. So sit back, relax, listen and enjoy the show. If we can make you smile, if we can make your life a little brighter, if we can make you leave the auditorium humming a tune, then our efforts to present this show have been worthwhile.

Sincerely,

Don Grammer, President

"THE REGENTS"

Tenor	Harry Williamson
Lead	Joe Mazzone
Baritone	Ron Knickerbocker
bass	Hal Kauffman

It is with an immense amount of pride and pleasure we present the current International Quartet Champions, "The Regents". In only three short years this fine quartet has come from relative obscurity to the very pinnacle of barbershop endeavor. With third place finishes in Atlanta and Portland "The Regents" showed their mettle by posting the highest score in modern barbershop history. This is not to say that the quartet personnel is new to barbershop but quite the contrary. "The Regents" bring together the efforts and experience of a combined total of 44 years in barbershopping.

"The Regents come to us from four different chapters; Cecil County, Md., Cherry Hill, N.J., West Chester, Pa., and Wilmington, Del. So sit back, relax, and prepare yourself for the thrill of harmony brought to you as only "The Regents" can do.

THE DAYBREAK EXPRESS

This popular quartet comes to you from Indianapolis bringing with them a combination of solid Barbershop and a little dry humor tied together in a most entertaining package. The "EXPRESS" formed in the fall of 1971 and has taken time out from a busy show schedule to win the Cardinal District Championship in 1973, and to represent the Cardinal District in International competition in 1974. They have a distinct sound and a real "down home" atmosphere. We think you'll enjoy...THE DAYBREAK EXPRESS!!

"THE CITATIONS"

Tenor	Bob Netherton
Lead	Jim Miller
Baritone	Ken Buckner
Bass	Bill Myers

This veteran quartet from the Thoroughbred stable is the epitome of barbershopping in the Cardinal District. Their competitive credentials go back to 1965 when in their first effort they became the District Champions. The competitive and show trails have found The Citations from coast to coast with but one thought in mind; to give every audience the musical thrill which they deserve. The Pride of Kentucky has won the right to represent the Cardinal District at the International Convention for the last nine successive years, being Finalists in 1970 and 1972. In addition to their rigorous show schedule the Citations spent several weeks touring in the Viet Nam war zone performing for the military on behalf of the U.S.O.

The Citations have a new and well deserved honor to add to their growing list of accomplishments by being named Cardinal District "Quartet of the Year". We're sure that your spirits will be raised and your musical hearts lightened by the thrilling harmonies of the Citations.

THE BLUEGRASS STUDENT UNION

Tenor Alan Hatton
Lead Ken Hatton
Baritone Dan Burgess
Bass Rick Staab

Affectionately nicknamed "Those Rotten Kids" by other members of the Thoroughbred Chorus, The Bluegrass Student Union has already won distinction as a quartet to be acclaimed. Organized less than one year, they became the Cardinal District Champion quartet on October 5, 1974, in Lexington, Kentucky. With two men at the age of 18, one at 19, and one at 20, they are one of the youngest quartets ever to win a district championship. While they scored well in stage presence, they became district champions because of their singing ability, winning all three of the singing categories, Harmony Accuracy, Balance and Blend, and Interpretation. The vigor and vitality of youth brings an exciting sound to traditional barbershop harmonies, when "Those Rotten Kids" answer the challenge to perform.

THE THOROUGHBREDS

1974 has been a banner year for the Thoroughbred Chorus! On a stage in Kansas City on July 13, 1974, the Thoroughbreds accomplished what no other chorus in the world has ever achieved...they won the coveted International Barbershop Chorus Championship for an unprecedented fourth time!

Each year the nearly 800 choruses in our Society perform in Regional and District competition for the right to compete at the International Convention, and the fifteen top choruses meet in the final contest which is closely judged on the fine technical crafts of blending voices in perfectly structured harmony. On three previous occasions — in 1962, 1966 and again in 1969 — the Thoroughbreds emerged victorious. And their 1974 triumph places them in an exalted position which knowledgeable barbershoppers claim will never be equaled by another group.

The Louisville Chapter has traveled a long road since its inception in 1945, and its Thoroughbred Chorus has established an enviable standard of performing excellence in the process. Their recognized reputation has brought them a busy schedule of obligations, too; they are sought after for recordings and performances all over the

country. They opened the 1974 season last January performing in a Barbershop Spectacular at Grossingers, the famous resort in New York's Catskill Mountains. They've traveled thousands of miles in 1974, and in early 1975 will entertain audiences in St. Louis and St. Paul.

All of this is overshadowed, however, by final plans for a European Concert Tour. Next May the Thoroughbreds will fly to London to spend two weeks entertaining audiences for our affiliated Society chapters in England, Scotland and Scandinavia. Also on the schedule are BBC television appearances and a singing "contest" with a male chorus in Wales.

So 1974 has been a grandly significant year for the Thoroughbreds. That's why we've chosen to honor the year by bringing you "A Song for All Seasons". And, since 1975 holds even more excitement in store for this talented chorus, we're proclaiming musically that "This Could Be The Start Of Something Big".

We hope you enjoy our songs as much as we enjoy bringing them to you.

This quartet is a "Chapter Quartet" in that most of their singing is done at Chorus shows and Chorus related programs. However, they do maintain a busy schedule entertaining outside the Chapter & Chorus at many local functions.

The Derbytowners collectively account for over sixty years of quartet experience, having participated in past district champion and internationally ranked quartets. Together they share the pride and experience of having participated in 14 International Chorus Championships.

Newly organized (during the summer of 1974), The River City Sound quartet has already served notice that it can entertain in the higher circles of barbershop quartets. Even though recently formed, they placed 6th in the 1974 district quartet competition. With many years of barbershop chorus and quartet experience, these men have developed an outstanding and truly mellow blend of exciting sound.

WE SING THAT THEY SHALL SPEAK

The Institute of Logopedics
International Service Project of
The Society for the Preservation and Encouragement
Of Barber Shop Quartet Singing in America, Inc.

Barbershop Harmony has a new ring these days - one with a deep and joyous purpose to it. For Barbershoppers are willingly lending heart and voice that silent children throughout the world may be given speech. S.P.E.B.S.Q.S.A. is proud indeed of its International Service Project, the Institute of Logopedics in Wichita, Kansas.

In every community there are men who love to use their God-given talents to sing. In every community too, there are silent children who cannot express even the simplest song or thought imprisoned in their hearts. They look to the Barbershoppers for escape from their lonely prisons of silence. We are humbly grateful that God has granted use the privilege and talent to sing - *that they shall speak.*

Communication, as every Barbershopper knows, is mankind's most vital tool. As a pioneer in the field, the Institute has brought speech to more than 30,000 persons throughout the world; and has become the largest residential habilitative center. Today more than 3 children per day are restored to their communities to take their rightful places as speaking members of society.

But countless thousands still plead mutely for our help . . . your help. We cannot - nor do we wish to - ignore their unspoken appeals.

Without speech a human's world is dark and his potential unknown.

No one ever dies from a speech disorder. But, for millions existing in silence, it can be a living death.

To meet the needs of the speechless, Dr. Martin F. Palmer, Founder of the Institute, developed an integrated three-fold program consisting of the finest possible clinical services for all communicative problems; expert professional education for logopedists; and an excellent and on-going research organization.

S.P.E.B.S.Q.S.A.'s Service Project, the Institute of Logopedics, overlooks no facet of a child's development in his quest for communication. Our pride in our project, this great facility for the speechless, knows no bounds, and our gratitude at having a part in its future is inspiring.

As we sing, we hear in our hearts a chorus of voices once silent who are joining us in song . . . they are the 30,000 who found speech at the Institute of Logopedics which we proudly claim as our own.

But we are mindful also of the millions who silently look to us - and to YOU - for their birthright - *Speech.*
